PROFILE

I build fast, honest products and sweat the details nobody asked for. This is my track record. Open to full-time roles and selected freelance projects. If it's ambitious, I'm interested.

EXPERIENCE

[Job title] · [Company] 2024 – Present
[City / Remote] · [Team or product you worked on]

- [What you built or owned, with the result]
- [A number that moved: users, speed, revenue, uptime]
- [Something you led, mentored or improved]

[Job title] · [Company] 2022 – 2024
[City / Remote] · [Team or product you worked on]

- [What you built or owned, with the result]
- [A number that moved: users, speed, revenue, uptime]
- [Something you led, mentored or improved]

[Job title] · [Company] 2020 – 2022
[City / Remote] · [Team or product you worked on]

- [What you built or owned, with the result]
- [A number that moved: users, speed, revenue, uptime]
- [Something you led, mentored or improved]
